CAR AIR PUMP

WIRELESS VACUUM CLEANER

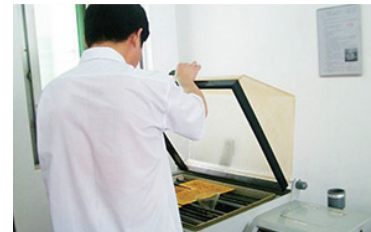

HIGH PRESSURE CAR WASHER

Shenzhen Gulin Power Technology Co., Ltd was founded in 2014, which is a technological innovation-based enterprise combining the R&D, manufacture and marketing of automotive electronic series products. We have about 100 employees and cover an area of 3000 square meters. All products are with appearance patents & some with technology patents and have been certified by CE, RoHS and FCC. Our products are exported to America, Japan, Australia, Sweden, UK and more than 40 countries.

We have attained the ISO 9001:2015 quality management system certification and ISO 14001:2015 environmental management system certification. Also, we have powerful technology research strength and a comprehensive quality management system, and have already formed a complete product chain for OEMs and can provide more professional ODM project management.

- 2014 Establish Gulin company
- 2015 Attend Frankfurt show(Shanghai)
- 2016 Establish Taiwan R&D center and attend Frankfurt show(Germany)
- 2017 Attend SEMA show(Las Vegas)
- 2018 R&D car vacuum cleaner and applied for all related patents and certifications
- 2019 Mass production of car vacuum cleaner
- 2020 R&D and mass production of car air pump
- 2021 Awarded "National High-tech Enterprise"
- 2022 R&D and mass production of high pressure car washer
Awarded "Shenzhen Innovative SMEs"
- 2023 Awarded "Shenzhen Specialized and Sophisticated SMEs"

We insist on taking the customer demand as the center and technological innovation as the root, keep providing competitive and valuable products.
